

Respirologists (x2)

Department of Medicine

Across our three hospitals and eight satellite sites, Scarborough Health Network (SHN) is shaping the future of care. Our many programs and services are designed around the needs of one of Canada's most vibrant and diverse communities. We are home to North America's largest nephrology program, as well as the designated cardiac care and spine centre for Scarborough and surrounding communities to the east. We are proud to be a community-affiliated teaching site for the University of Toronto and partner with a number of other universities and colleges, helping to train the next generation of health care professionals.

The Department of Medicine at Scarborough Health Network is seeking two (2) full-time Respirologists to join our team. The successful candidates will be working with a strong, supportive and collegial group of colleagues in a three-site community hospital organization committed to providing high quality, comprehensive clinical services. As a staff respirologist you will be responsible for working as a team to provide 365/365 day respirology consultation service coverage to the General and Birchmount hospitals, respectively. You will also be expected to maintain a robust outpatient practice for patients requiring referral from the emergency department, community and other specialists, as well as for follow-up visits from hospital admissions. You will receive bronchoscopy and pulmonary function lab privileges..

The successful candidates must be eligible for independent practice licensure with the College of Physicians and Surgeons of Ontario, and hold certification by the Royal College of Physicians and Surgeons of Canada in Respirology. Emphasis will be placed on candidates with experience working in a community hospital setting as well as candidates with strong communication skills.
