

Intensivist

Department of Critical Care

Across our three hospitals and eight satellite sites, Scarborough Health Network (SHN) is shaping the future of care. Our many programs and services are designed around the needs of one of Canada's most vibrant and diverse communities. We are home to North America's largest nephrology program, as well as the designated cardiac care and spine centre for Scarborough and surrounding communities to the east. We are proud to be a community-affiliated teaching site for the University of Toronto and partner with a number of other universities and colleges, helping to train the next generation of health care professionals.

The Department of Critical Care at Scarborough Health Network is seeking Intensivists to join our team. The successful candidates will be working with a strong, supportive and collegial group of colleagues in a three-site hospital organization committed to providing high quality, comprehensive clinical services. As a staff Intensivist, you will be a member of the Critical Care medical staff providing 24/7 ICU coverage on a rotational basis and working collaboratively with all members of the critical care services team and affiliated programs.

The successful candidates must be eligible for independent practice licensure with the College of Physicians and Surgeons of Ontario, and hold certification by the Royal College of Physicians and Surgeons of Canada in Critical Care Medicine. Emphasis will be placed on clinical experiences, collaboration within a multidisciplinary team and skills related to achieving SHN's Strategic Directions.
