Dear Attending Health Care Practitioner:

Scarborough Health Network (SHN) recognizes our employees as our most valuable resource. As such, we offer a comprehensive sick leave program, temporary transitional modified duties and/or accommodation, if necessary.

To assist the organization in applying these supports, the attached SHN Medical Certificate (MC) is required.

We rely on the timely receipt of medical documentation that outlines our employee's functional abilities. As the treating practitioner, your completion of this form is required in order to substantiate our employee's sick leave (which may include payment of sick benefits) and/or to support the need for Gradual Return to Work (GRTW) or accommodation, if necessary.

If medically necessary, temporary GRTW is provided for our employees to support the successful return to full regular duties. GRTW must be goal oriented, time limited (typically four to six weeks in duration), progressive in nature and based on medically supported functional abilities. GRTW may include modifications to his/her regular hours and/or duties or by placement in other positions more suited to his/her functional abilities. SHN will endeavour to identify a safe and suitable assignment based on the restrictions or limitations listed.

It has been shown that early intervention and return to the workplace may reduce overall recovery times and limit the negative impact of a prolonged absence.

I thank you for your support and care of our valued employee. If you have any questions or concerns, please feel free to contact us.

Respectfully yours, Workplace Health and Safety Department
Scarborough Health Network
