## **Developmental Pediatrician**

Department of Pediatrics

The Department of Pediatrics at Scarborough Health Network is seeking a Developmental Pediatrician to join our multi-disciplinary team to assess children of all ages with suspected development disabilities, behavior problems and academic challenges. Our team members include a psychologist, a social worker, pediatric occupational therapists and speech language pathologists. The successful candidate will be joining our medical team consisting of two other developmental pediatricians and two pediatric neurologists working within the Scarborough Kids Development Clinic.

To be eligible for this position, the successful candidate must be registered or eligible for licensure with the College of Physicians and Surgeons of Ontario. Additionally, they should have their certification by the Royal College of Physicians and Surgeons of Canada in Pediatrics and Developmental Pediatrics. Emphasis will be placed on candidates with strong interpersonal and communication skills.

As part of SHN's vision to become Canada's leading community teaching health network, the successful applicant would be supported to obtain an adjunct-lecturer appointment with the University of Toronto, Department of Medicine to facilitate the education of medical students and residents.

*We thank all qualified physicians for their submissions however only successful candidates who qualify will be contacted to attend a pre-application interview. All appointments are subject to an Impact Analysis and Board approval. The hospital reserves the right not to appoint anyone to this position.*

## **SHN ABOUT US**

Across our three hospitals and eight satellite sites, Scarborough Health Network (SHN) is shaping the future of care. Our many programs and services are designed around the needs of one of Canada's most vibrant and diverse communities. We are the third largest community hospital in Ontario and are home to North America's largest nephrology program, as well as the designated cardiac care and spine centre for Scarborough and surrounding communities to the east. We are proud to be a part of the Toronto Academic Health Science Network (TAHSN) and partner with a number of universities and colleges, helping to train the next generation of health care professionals.

At SHN, we are committed to fostering diversity, equity, and inclusivity in our workplace. We strongly encourage applications from individuals of all backgrounds, including those from underrepresented groups. We believe that a diverse team enhances our ability to provide excellent patient care and promotes innovation and creativity. SHN is dedicated to providing reasonable accommodations to applicants with disabilities throughout the recruitment process. If you require accommodations, we will work with you to meet your needs.
