

Emergency Medicine Physician

Department of Emergency Medicine

At Scarborough Health Network (SHN), the patient experience comes first. With three hospital sites (Birchmount, General, and Centenary) and five satellite sites, SHN provides a broad spectrum of health services to one of the most diverse communities in Canada. SHN is committed to delivering the highest quality patient- and family-centred care, with a focus on enhancing access to services for the Scarborough community. SHN is committed to creating and maintaining a work environment that is committed to wellness, equity and inclusivity.

Patient services include a full-service Emergency department at each site, advanced maternal and neonatal care in state-of-the-art birthing centres, and specialized paediatric care. In addition, SHN is home to a number of regional programs serving the central east Greater Toronto Area and beyond, including cardiac care, nephrology, vascular surgery, and vision care, and is recognized as a centre of excellence in orthopaedic surgery, cancer care, and mental health.

This is a great opportunity for an Emergency Medicine Physician to provide patient care to a wonderful, appreciative and culturally diverse community at SHN. At SHN, you will find 3 full service EDs which provide care to 185,000 patients per year at the three hospitals. Affiliated with the University of Toronto, the ED has a large teaching program with award winning faculty. SHN facilities are well equipped with excellent laboratory service, specialty back-up and comprehensive diagnostic imaging and a dedicated Point-of-Care Ultrasound Program. We are looking for career-oriented Emergency physicians to join our progressive team. The ED is committed to PoCUS with significant investments in machines (6 PoCUS Machines) and wireless QPath archiving software providing a streamlined workflow for our physicians.

The successful candidate will be eligible for an independent license to practice in Ontario with certification or eligibility for certification in Emergency Medicine (FRCP-EM, CCFP-EM). Excellent interpersonal skills and a commitment to inter-professional care are essential. Quality of life and remuneration targets are highly competitive.
