SHN ABOUT US

Across our three hospitals and eight satellite sites, Scarborough Health Network (SHN) is shaping the future of care. Our many programs and services are designed around the needs of one of Canada's most vibrant and diverse communities. We are the third largest community hospital in Ontario and are home to North America's largest nephrology program, as well as the designated cardiac care and spine centre for Scarborough and surrounding communities to the east. We are proud to be a part of the Toronto Academic Health Science Network (TAHSN) and partner with a number of universities and colleges, helping to train the next generation of health care professionals.

At SHN, we are committed to fostering diversity, equity, and inclusivity in our workplace. We strongly encourage applications from individuals of all backgrounds, including those from underrepresented groups. We believe that a diverse team enhances our ability to provide excellent patient care and promotes innovation and creativity. SHN is dedicated to providing reasonable accommodations to applicants with disabilities throughout the recruitment process. If you require accommodations, we will work with you to meet your needs.
