General Surgery Colorectal Surgeon Department of Surgery

The Department of Surgery, Division of General Surgery at SHN is seeking a full-time Colorectal Surgeon. The successful candidate will be working with a strong, supportive and collegial group of colleagues in a three-site community hospital organization committed to providing high quality, comprehensive clinical services. As SHN is affiliated with the University of Toronto, the successful candidate will be expected to apply for an appointment with the University of Toronto Department of Surgery and be involved with teaching at SHN.

While expertise in a wide range of colon and rectal diseases is required, special interest in the areas of inflammatory bowel disease and benign anorectal pathology will be a strong asset. Call frequency is 1 in 7 with a collegial group and participation in SHN's ACS model is expected. Reasonable operative and endoscopy resources are available.

The successful candidate must be registered or eligible for licensure with the College of Physicians and Surgeons of Ontario and have successfully completed an accredited fellowship in Colorectal Surgery. Candidates will be expected to be certified or eligible for certification by the Royal College of Physicians and Surgeons of Canada in General Surgery (Colorectal Surgery preferred) or the American Board of Colon and Rectal Surgery. Emphasis will be placed on candidate(s) with experience working in a community hospital setting with strong communication skills.

SHN ABOUT US

Across our three hospitals and eight satellite sites, Scarborough Health Network (SHN) is shaping the future of care. Our many programs and services are designed around the needs of one of Canada's most vibrant and diverse communities. We are the third largest community hospital in Ontario and are home to North America's largest nephrology program, as well as the designated cardiac care and spine centre for Scarborough and surrounding communities to the east. We are proud to be a part of the Toronto Academic Health Science Network (TAHSN) and partner with a number of universities and colleges, helping to train the next generation of health care professionals.

At SHN, we are committed to fostering diversity, equity, and inclusivity in our workplace. We strongly encourage applications from individuals of all backgrounds, including those from underrepresented groups. We believe that a diverse team enhances our ability to provide excellent patient care and promotes innovation and creativity. SHN is dedicated to providing reasonable accommodations to applicants with disabilities throughout the recruitment process. If you require accommodations, we will work with you to meet your needs.
