shaping the
future of care!

Oral and Maxillofacial Surgeon

Department of Surgery

The Department of Surgery, Division of Oral Maxillofacial Surgery, at Scarborough Health Network is seeking an Active position Oral and Maxillofacial Surgeon to join our team. The successful candidate will be working with a strong, supportive and collegial group of colleagues in a three-site community hospital organization committed to providing high quality, comprehensive clinical services. You will be responsible for providing consultation and treatment services for the hospital in general, the emergency room and the Scarborough community; and, you will have access to the emergency department, surgical wards and operating room to support the services needed. The candidate must have experience in a wide scope of Oral Surgery including facial trauma, maxillofacial reconstruction, orthognathic surgery, oral pathology, and temporomandibular joint disorders.

The successful candidates must be eligible for independent practice licensure with the Royal College of Dental Surgeons of Ontario (FRCD), and hold certification by the Royal College of Dentists of Canada (RCDC). Candidates must also maintain a practice in the Scarborough (or surrounding) area. Emphasis will be placed on candidates with experience working in a community hospital setting as well as candidates with strong communication skills.

We thank all qualified physicians for their submissions however only successful candidates who qualify will be contacted to attend a pre-application interview. All appointments are subject to an Impact Analysis and Board approval. The hospital reserves the right not to appoint anyone to this position.

SHN ABOUT US

Across our three hospitals and eight satellite sites, Scarborough Health Network (SHN) is shaping the future of care. Our many programs and services are designed around the needs of one of Canada's most vibrant and diverse communities. We are the third largest community hospital in Ontario and are home to North America's largest nephrology program, as well as the designated cardiac care and spine centre for Scarborough and surrounding communities to the east. We are proud to be a part of the Toronto Academic Health Science Network (TAHSN) and partner with a number of universities and colleges, helping to train the next generation of health care professionals.

At SHN, we are committed to fostering diversity, equity, and inclusivity in our workplace. We strongly encourage applications from individuals of all backgrounds, including those from underrepresented groups. We believe that a diverse team enhances our ability to provide excellent patient care and promotes innovation and creativity. SHN is dedicated to providing reasonable accommodations to applicants with disabilities throughout the recruitment process. If you require accommodations, we will work with you to meet your needs.
