

**Be part of  
shaping the  
future of care!**

## Outpatient Psychiatrist

Department of Psychiatry

The Department of Psychiatry is seeking 1 full-time, permanent staff psychiatrists to join the adult mental health program. A wide range of services are offered at SHN, including inpatient care, three on-site emergency crisis programs, mobile crisis intervention, outpatient care, outreach services and consult liaison programs.

We are seeking a psychiatrist with expertise and interest in general adult outpatient psychiatry. The successful candidate should have an interest in working with a diverse community and be eligible for academic appointment with the Department of Psychiatry at the University of Toronto.

In joining our hospital, you will have the opportunity to start a full practice, providing specialist assessment and treatment for referrals from community family physicians, and other physicians in the hospital system. Patients are well supported with access to multidisciplinary services including substance use counselling, rapid access addiction medicine clinic, depot clinic, clozapine clinic, and evidence-based individual and group psychotherapy. The department also offers weekly journal club, monthly grand rounds, and many opportunities for collegial interaction. The Hospital has also implemented a new clinical information system (Epic) to further support excellence in care and efficiency in documentation. Opportunities for professional growth also exist, including leadership initiatives, teaching (resident and medical student education), research, and program development.

You will be joining psychiatrist colleagues on a vibrant team with highly trained mental health nurses, mental health therapists, social workers, substance counsellors and case management support.

Applicants must be eligible for licensure with the College of Physicians and Surgeons of Ontario and be Royal College of Physicians and Surgeons eligible.

*We thank all qualified physicians for their submissions however only successful candidates who qualify will be contacted to attend a pre-application interview. All appointments are subject to an Impact Analysis and Board approval. The hospital reserves the right not to appoint anyone to this position.*

## SHN ABOUT US

Across our three hospitals and eight satellite sites, Scarborough Health Network (SHN) is shaping the future of care. Our many programs and services are designed around the needs of one of Canada's most vibrant and diverse communities. We are the third largest community hospital in Ontario and are home to North America's largest nephrology program, as well as the designated cardiac care and spine centre for Scarborough and surrounding communities to the east. We are proud to be a part of the Toronto Academic Health Science Network (TAHSN) and partner with a number of universities and colleges, helping to train the next generation of health care professionals. We have the second-largest community hospital mental health and addiction program (as measured by inpatient beds) in the Province and have a collegial group of over 40 physicians working within the Department of Psychiatry.

At SHN, we are committed to fostering diversity, equity, and inclusivity in our workplace. We strongly encourage applications from individuals of all backgrounds, including those from underrepresented groups. We believe that a diverse team enhances our ability to provide excellent patient care and promotes innovation and creativity. SHN is dedicated to providing reasonable accommodations to applicants with disabilities throughout the recruitment process. If you require accommodations, we will work with you to meet your needs.
